

185.0: Mill Race Park

126

Springfield

Confluence
 Just ahead is the confluence of the Middle Fork and Coast Fork Willamette Rivers, forming the mainstem Willamette River. The start of the river is officially at River Mile 187—that is, 187 miles from the Willamette's confluence with the Columbia River!

187.0: Dorris Ranch Living History Farm
 Poor river access.

MidW-4-12:
 pg 47

W-1: pg 45

The Willamette River starts at this confluence.

187.0: Glassbar Landing
 (OPRD) N 44.01579, W 122.9871

This landing is at the confluence of the Middle Fork and Coast Fork Willamette Rivers. From this site you can see all three rivers. In the summer this site is also used by those seeking full sunbathers.
