

178.0: Beltline West Boat Ramp

This crude gravel boat ramp is used primarily for launching power boats. It is immediately downriver of the Beltline Bridge (no amenities).

Watch for rapids!

East Bank Park

181.0: Maurie Jacobs Park/River House Outdoor Program

(City of Eugene)

This makes a good stop in the Eugene area. The large "River House eddy" on the west side is bordered by a gently sloping grass shoreline. As part of the City of Eugene's Recreation Division, the Outdoor Program has a long history of providing canoe and kayak instruction for area residents. Classes offer a wide array of trips for all age groups.
